Remodeled 3-Bedroom, 1 Bath Home with Basement & Pole Barn on 10+/- Acres!

Enjoy country living with room to spread out! Offering a blend of comfortable living, outdoor space, and versatility, this property provides an opportunity to enjoy a quieter setting with room to pursue your interests and make the property your own.

The remodeled kitchen provides an inviting space for preparing meals and gathering, while the updated bathroom adds a fresh touch to everyday living. The three bedrooms offer comfortable spaces to relax and unwind, making this home a great option for those looking for a move-in ready starting point with room to make it their own.

Step outside to enjoy the covered porch and open patio, both offering opportunities to relax, entertain, or simply take in the quiet surroundings. With 10+/- acres, there is plenty of room to enjoy the outdoors and explore the possibilities that come with owning a rural property.

Another great feature is the 36' x 54' Barn offering abundant space for animals, storage, or a workshop area. Whether you need room for 4-H Animals, Mini Farm Animals, tools and projects, extra space for recreational equipment, or a place to bring your ideas to life, this substantial building adds tremendous flexibility to the property.

Whether you're looking for a place to call home or property with room for your projects, this one is worth coming to see!

Open House: Tues. October 27th from 5:30-6 pm
