Great Starter Home, Downsizing or Investment Opportunity!
2 Bedroom | 1 Bath

Discover the potential of this inviting one-story home, offering a practical layout, comfortable living spaces, and features that make it a great opportunity for a variety of buyers. With two bedrooms, one bathroom, and the convenience of single-level living, this property could be an excellent fit for first-time homeowners, investors, or buyers interested in making a home their own.

Inside, the home features an eat-in kitchen with a convenient pass-through opening into the living room, creating a sense of connection between the two spaces while allowing for easy interaction during everyday activities and gatherings. Two bedrooms and an extra room provide flexibility for family, guests, a home office, or other needs, while the one-story layout offers practical, easy-to-navigate living spaces.

Adding to the home's appeal is an enclosed porch, along with an adjoining partially open, covered area that offers another place to relax and enjoy the outdoors. An unfinished partial basement provides additional space for storage and the potential to accommodate a variety of future needs.

Whether you are searching for a place to call home, an investment opportunity, or a property with room to add your own personal touches, this home offers a promising starting point. With its functional layout & inviting porch areas, it presents an opportunity to explore and make your own!
