

Beautiful, Remodeled Country Home on 3.09± Acres with Exceptional New Outbuildings, and The Space to Live, Work, and Enjoy Country Living!

Discover an outstanding combination of country charm, modern improvements, and exceptional functionality with this attractive 3-bedroom, 2-bath home situated on 3.09± acres! Featuring a major remodel completed in 2016, two impressive outbuildings constructed in 2025, and fenced pasture ground, this property offers an opportunity for those seeking comfortable country living with room for animals, equipment, hobbies, and more.

From the moment you arrive, the home's attractive exterior, metal roof, welcoming covered front porch, and beautifully maintained lawn create an inviting first impression. Step inside to a stunning living room highlighted by a soaring vaulted wood ceiling, expansive windows, striking stone fireplace, and distinctive rustic accents. The warm wood finishes continue into the dining room, where decorative timberwork and unique lighting add character and charm.

The spacious kitchen features abundant cabinetry, stainless steel appliances, and a convenient breakfast bar. The primary suite offers a private retreat with a walk-in closet and beautifully appointed bathroom featuring dual vanities, rustic wood accents, and a large tiled walk-in shower. An adjoining laundry room adds everyday convenience, while two additional bedrooms, a second full bath, and an unfinished basement provide additional living and storage flexibility.

A major remodel completed in 2016 included a new metal roof, furnace, central air conditioning, ductwork, water heater, and septic system! A reverse osmosis water system was also added in 2025, providing another valuable improvement. These substantial updates complement the home's inviting interior and distinctive country character.

Outdoor living is equally appealing, with a covered patio overlooking the property and surrounding countryside—an inviting place to relax, entertain, or enjoy the peaceful rural setting.

The impressive 40' x 64' heated and insulated shop, newly constructed in 2025, is a standout feature! Offering 2,400 square feet of versatile workspace, the building includes two insulated overhead doors measuring 8' x 10' and 16' x 14', an LP gas furnace, 200-amp electrical service, R-19 wall insulation, and 16 inches of blown-in ceiling insulation. Ideal for vehicle and equipment storage, workshop projects, and a variety of other pursuits, this substantial building offers outstanding possibilities.

The 48' x 36' pole building, also constructed in 2025, adds even more versatility with thoughtfully arranged animal accommodations and functional workspace. Features include an 8' x 16' wraparound porch, covered dog kennel, insulated 12' x 22' room with animal access, and a separate area equipped with a sink, running water, and water heater.

Multiple sliding doors and a large overhead garage door provide convenient access throughout. The adjoining woven-wire fenced pasture adds another desirable feature for those looking to accommodate animals.

With beautifully maintained grounds, extensive gravel parking and maneuvering space, two impressive new buildings, fenced pasture, and a charming country home with substantial improvements, this property offers an exceptional combination of comfort, character, and practicality.

Whether your passion is animals, vehicles, equipment, outdoor living, or simply having room to spread out, this property brings together the space, improvements, & versatility to make your dream country lifestyle a reality!
