

SELLER'S RESIDENTIAL REAL ESTATE SALES DISCLOSURE

State Form 46234 (R6 / 6-14)

Date (r	nonth, day	, year)		
5/	15/2	019	1	

NOTE: This form has been modified from the version currently found at 876 IAC 9-1-2 to include questions regarding desclosure of contamination related to controlled substances or methamphetamine as required by P.L. 180-2014. Rule revisions will be made to 876 IAC 9-1-2 to include these changes in the near future, however the Commission has made this information available now through this updated form.

Seller states that the Information contained in this Disclosure is correct to the best of Seller's CURRENT ACTUAL KNOWLEDGE as of the above date. The prospective buyer and the owner may wish to obtain professional advice or inspections of the property and provide for appropriate provisions in a contract between them concerning any advice, inspections, defects, or warranties obtained on the property. The representations in this form are the representations of the owner and are not the representations of the agent, if any. This information is for disclosure only and is not intended to be a part of any contract between the buyer and the owner. Indiana law (IC 32-21-5) generally requires sellers of 1-4 unit residential property to complete this form regarding the known physical condition of the property. An owner must complete and sign the disclosure form and submit the form to a prospective buyer before an offer is accepted for the sale of the real estate.

Lead-Based Paint & Lead-Based Paint Hazards Disclosure of Information

Lead Warning Statement:

Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including but not limited to; learning disabilities, behavioral problems, reduced intelligence quotient and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards. A risk assessment or inspection of possible lead-based paint hazards is recommended prior to purchase.
